

# How to decorate Easter eggs

Here's a great way to give someone an Easter gift with a personal touch. This Easter egg decoration is simple to make and a fun little project for the kids. To make one, simply follow the instructions in this easy step-by-step guide.

## Materials

- Craft glue
- Thick card
- Coloured pens
- Coloured paints
- Glitter
- Stickers
- Easter egg template (attached)
- Easter eggs

## Tools

- Scissors

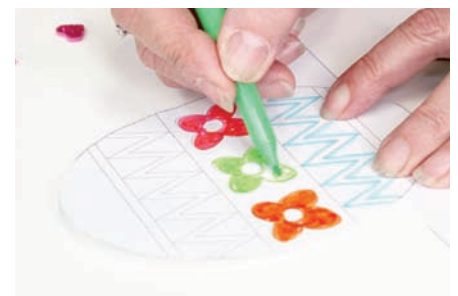

## Safety

It's a good idea to supervise your kids during this project, especially when they're using scissors or glue.

### Step 1

Take your Easter egg template and glue it onto some thick card. Once the glue has dried, cut out your egg shape with scissors.

### Step 2

Now you can decorate your egg however you like. Use your pens and paints to colour in the patterns.

### Step 3

Now it's time to get creative. You can cut up and glue on some coloured paper, or add some stickers or glitter. It's up to you.

### Step 4

Once it's dry, take the tabs of your decoration and wrap them around your Easter egg. Glue the ends together and you're done.
