

Product Safety Recall

EUROMATIC
KITCHEN AND HOUSEHOLD

ECO Wall Panel Heater

Models: EPH-001, EPH-001D, EPH-002

Sold By: Bunnings stores – 1st March to 24th April 2018

Defect: Cracks can appear on the outer ceramic encasing of the heater and lead to smouldering and release of smoke.

Hazard: If smouldering occurs, it may lead to and pose a risk of burns or fire.

What to do: Stop using the heater immediately and return the product to your nearest Bunnings store for a full refund.
